

Key Findings From the 2021 New York Resident Exit Survey

RECRUITMENT

The job market for physicians completing training in New York in 2021 was not as strong as the job market in 2019.

35% had difficulty finding a satisfactory practice position

21% changed plans due to limited job opportunities

RETENTION

53% of new physicians trained in NY plan to practice out of state.

DEMAND

Demand for physicians in primary care specialties was stronger than demand for physicians in other specialties.

DIVERSITY

Compared to the US population, gender diversity of new physicians in NY has improved, while racial/ethnic disparities remain.
